(Registration required)

NOTICE IS HEREBY GIVEN that the State Water Resources Control Board (State Water Board or Board) staff will hold an informational public workshop to inform current and potential recipients of the Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving Fund (DWSRF) on the updates to the Credit/Financial Guidance Appendices. Interested persons can provide input during the remote workshop or via email.

MEETING PURPOSE

The workshop will cover the following topics:

- Revisions to the Credit/Financial Guidance Appendices to improve the documents' readability
- Guidance on credit's current practices in order to streamline credit review and legal consultation
- Additional Debt Test (ADT) language
- financial eligibility criteria
- Additional guidance regarding loan security backed by property assessments

NOTICE, AGENDA, DOCUMENTS, AND RECORDING

The notice, agenda, workshop documents, and workshop recording will be available on the State Water Board's website on the [CWSRF](#) and [DWSRF](#) websites.

PROCEDURAL MATTERS

This meeting will be held remotely. Use the [Zoom registration link](#) to register for the meeting (required), and the link to join the meeting will then be sent to you via email.
